Our School Year Membership expires at the end of the School Year Program. All members attending the summer program must have an active Summer Membership. For more information about our program and our policies and procedures, please pick up a **Membership Handbook** at the front counter. **Reminder: to best serve your child this facility is not a daycare facility; it is intended to provide youth development programs.**

### The Club has an “Open Door” Policy

Staff will not give permission for members to leave the Club, nor do they insist they stay. Members are allowed to check themselves in and out of the Club. Arrival and departure is a matter strictly between the parent/guardian and the child. However, “open door” does not mean revolving door. Once a member arrives at the Club, the expectation is for them to remain at the Club until they leave for the day. All members must have the physical, mental and emotional maturity to act and interact independently and responsibly.

### Sign-In/Sign-Out

Please remind your child to sign in & sign out on the computer at the front counter when they arrive and leave. This is a helpful tracking tool for parents and staff but it is the responsibility of the member to carry out. **Club member must be picked up and signed out by closing time!! Failure to do so could result in loss of membership.**

### Fee Based Programs

The Boys & Girls Clubs offer additional programs during the summer which may incur additional costs. The fees must be paid in advance of the service so the Club can plan accordingly. Examples of these programs are the Early Bird Program and Outside the Club Activities. Check with the Club you are registering with on the specifics of these programs. **All fees must be paid in advance. This is the responsibility of the parent/guardian.**

### Health & Accidents

In the event of an emergency, a staff person will attempt to contact parents using the information on the registration form. **Please keep your home, work, and emergency contact information current.** In fairness to your child and others, please do not send your child to the Club when he/she is ill. Staff will notify a parent as soon as possible if your child becomes ill while at the Club. If a parent cannot be reached, Club staff will assess the situation and make the necessary decisions for the safety of the child.

**PLEASE refer to the BGCLCV Membership Handbook for the specifics on our policies and programs.
