

Taco Time & Arby's NFL Flag Football Rulebook – 1st/2nd Grade

General Information

All coaches, parents, and players are expected to know the rules and philosophies of the Boys and Girls Club NFL Flag program. In ANY situation where there is a disagreement on a call the first question to ask is, “What do the rules say?” If there is a situation not specified within the rulebook, the Athletic Director will make the final ruling/decision.

I. Game

1. At the start of each game, captains from both teams (coach can be a captain) meet at midfield for the coin toss to determine who starts with the ball. The visiting team calls the toss.
2. The winner of the coin toss has the choice of offense or defense. The loser of the coin toss has the choice of direction. The team that started the game on defense will have first possession at the beginning of the second half.
3. The offensive team takes possession of the ball at its 5-yard line and has three (3) plays to cross the line-to-gain. Once a team crosses the line-to-gain, it has three (3) plays to reach the next line-to-gain or score a touchdown.
4. If the offense fails to score, the ball changes possession and the new offensive team starts its drive on its own 5-yard line.
5. If the offensive team fails to gain a first down, possession of the ball changes and the opposition starts its drive from its own 5-yard line.
6. All possession changes, except interceptions, start on the offense's 5-yard line.
7. Teams change sides after the first half. The team that started the game on defense will have the ball to start the second half.
8. All games are scheduled by the Athletic Director and game time is start time. If a team is not ready to play at their scheduled start time they may be forced to forfeit their game.

II. Terminology

Boundary Lines	The outer perimeter lines around the field. They include the sidelines and back of the end zone lines.
Line of Scrimmage	(LOS) - an imaginary line running through the point of the football and across the width of the field.
Line-to-Gain	The line the offense must pass to get a first down or score.
Rush Line	An imaginary line running across the width of the field seven yards (into the defensive side) from the line of scrimmage.
Offense	The team with possession of the ball.
Defense	The team opposing the offense to prevent it from advancing the ball.
Passer	The offensive player that throws the ball and may or may not be the quarterback.
Rusher	The defensive player assigned to rush the quarterback to prevent him/her from passing the ball by pulling his/her flags or by blocking the pass.
Downs (1-2-3)	The offensive team has three attempts or “downs” to advance the ball. It must cross the line to gain to get another set of downs or to score.
Live Ball	Refers to the period of time that the play is in action. Generally used in regard to penalties. Live ball penalties are considered part of the play and must be enforced before the down is considered complete.

Dead Ball	Refers to the period of time immediately before or after a play.
Whistle	Sound made by an official to signal the end of the play or a stop in the action for a timeout, halftime or the end of the game.
Inadvertent Whistle	Official's whistle that is performed in error.
Charging	An illegal movement of the ball-carrier directly at a defensive player who has established position on the field. This includes lowering the head or initiating contact with a shoulder, forearm or the chest.
Flag Guarding	An illegal act by the ball-carrier to prevent a defender from pulling the ball-carrier's flags by stiff arm, lowering elbow or head or by blocking access to the runner's flags with a hand or arm.
Shovel Pass	A legal pitch attempted beyond the line of scrimmage.
Lateral	A backward or sideways toss of the ball by the ball-carrier.
Unsportsmanlike Conduct	A rude, confrontational or offensive behavior or language.

III. Eligibility

- All players must have a current Boys & Girls Club membership and must be in the 1st/2nd grade level during the 2019-20 school year. **All players' legal guardians must agree to the online waiver form at nflflag.com/form/player for their specific league before participating.**

IV. Equipment

- The league provides each player with an official flag belt and NFL FLAG team jersey. Teams will be given one football to use to practice with throughout the season.
 - It is the coach's responsibility to keep track of each players' official flag belt.
- Players must wear shoes. Cleats are allowed, but any cleat with exposed metal must be removed.
- Players may tape their forearms, hands and fingers. Players may wear gloves, elbow pads and knee pads. Braces with exposed metal are not allowed.
- Players must remove all jewelry, hats/headwear. Winter beanies are allowed.
- Players' jerseys must be tucked into shorts or pants if they hang below the belt line.
- We recommend players wear shorts or pants that do not have pockets. Shorts or pants with belt loops or pockets must be taped. Games will not be delayed for a player to tape up pockets.
 - Flag belts cannot be the same color as shorts or pants.**

V. Field

- The field dimensions are 20 yards wide by 54 yards long with two 5-yard end zones, and a line-to-gain at the 18-yard line of each end. No-run zones are located 5 yards out from each end zone **ONLY**. **There are NO "no-run zones" near the 18-yard (line-to-gain) lines.**
- No-run zones are in place to prevent teams from conducting power run plays. While in the no-run zones (a 5-yard imaginary zone before each end zone), teams cannot run the ball in any fashion. All plays must be pass plays. Pass plays after a hand-off ARE allowed.
- Stepping on the boundary line is considered out of bounds.
- Each offensive team approaches only one no-run zone in each drive (5 yards from the goal line).

VI. Rosters

- Home teams wear dark color jerseys. Visiting teams wear light color jerseys.
- Teams must consist of at least eight players with a maximum of 10 players.
- Teams must start games with a minimum of five players. In the event of an injury, a team with insufficient substitute players may play with four players on the field (no fewer than four).

VII. Player Placement

1. All players must turn out for the school they attend. (Exception, see #6 below). Home-school players will be placed on the designated school team closest to where they live.
2. If enough players in a particular grade and school turn out to form more than one team, then the coaches will participate in a private draft held at the Club with the Athletic Director present. The first ten legally registered and paid players are guaranteed a roster spot. They cannot be cut and they may be moved only if schools combine. They will be included in a draft. Maximum roster size is 10 and minimum is 8.
3. A player may play up one grade level only. A player may not play down a level. A player may not “bump” an appropriately graded player, with the exception of the head coach’s child. **Example:** A 2nd grader may play 3rd/4th grade, but a 1st grader may not. Note: The Athletic Director reserves the right to require an inappropriately aged player to play at their corresponding grade level at any time.
4. A coach may not reserve a player, except for the coach’s own child. A player/parent may not reserve a coach; but must go through the sign up process. The child of the head coach will be the 4th pick of the draft. Each team is limited to one head coach and one assistant coach. The assistant coach is not selected until after the draft.
5. The determining number for conducting a draft is 16 or more players. The Athletic Director will make every effort to build two or more teams, if applicable, and may require extra time to do so.
6. A player may play for a different school if:
 - a. There is no team planned at the school the player attends, including players from private schools and public schools outside the local school districts.
 - b. The player is sent to another school due to a full roster.
 - c. Personal or disciplinary reasons of exceptional or extraordinary circumstances (i.e., custody issues, no-contact orders, etc.). The Athletic Director will make the final decisions in these cases.
7. Students who attend a private school may elect to play on a public school team if their school does not have a team planned; however, they must play for the school which they would normally attend.
8. All children **MUST** be members of the Club and have sports fee paid prior to the first practice or game. A player may participate until registration is made and fees are paid. Once the roster is full at 10, no additions or deletions can be made. There will be no exceptions!
9. After a team fills, no guarantees can be made as to where a child will be placed. Placement will be based upon need.
10. Late registrations **WILL** be taken **IF** there are available roster spots on a team.
Note: The minimum roster number is 8 and the maximum is 10. There are absolutely **NO** exceptions and no requests or circumstances will be considered. The Athletic Director will strive to build every roster to 10. The cooperation and patience of coaches and parents is key in this process and is greatly appreciated. Only players approved and/or placed by the Athletic Director are eligible to play.
11. The Club cannot and will not guarantee any team or coach for any reason, including transportation. All players **MUST** go through the appropriate process. We will do our best to accommodate requests; but again, we cannot make guarantees. The Placement Policy is our guide in this process.

VIII. Timing and Overtime

1. Games are played on a 40-minute continuous clock with two 20 minute halves. Clock stops only for timeouts, injuries or the end of halves.
2. Halftime is one minute.
3. Each time the ball is spotted; a team has 30 seconds to snap the ball. Teams will receive one warning before a delay-of-game penalty is enforced.
4. Each team has one 30-second timeout per half.
5. Officials can stop the clock at their discretion.
6. In the event of an injury, the clock stops and restarts once the injured player is removed from the field.
7. Score will not be kept for 1st/2nd grade leagues and no overtime will be conducted.

IX. Coaches

1. Coaches are expected to adhere to both the Boys & Girls Club and NFL FLAG philosophies, coaching guidelines and code of conduct.
2. Both the offensive team and defensive team can have one coach on the field at all times. The offensive coach will be the quarterback for their team.

X. Live Ball/Dead Ball

1. The ball is live at the snap of the ball and remains live until the official whistles the ball dead.
2. The officials will indicate the neutral zone and line of scrimmage.
 - a. It is an automatic dead ball foul if any player on defense or offense enters the neutral zone. In regard to the neutral zone, the official may give both teams a “courtesy” neutral zone notification to allow their players to move back behind the line of scrimmage.
3. A player who gains possession in the air is considered inbounds as long as one foot comes down in the field of play.
4. The defense may not mimic the offensive team signals by trying to confuse the offensive players, while the quarterback (coach) is calling out signals to start the play. This will result in an unsportsmanlike conduct penalty.
5. Substitutions may be made on any dead ball.
6. Any official can whistle the play dead.
7. Play is ruled “dead” when:
 - a. The ball hits the ground. If the ball hits the ground as a result of a bad snap, the ball is then placed where the ball hit the ground.
 - b. The ball-carrier’s flag is pulled.
 - c. The ball-carrier steps out of bounds.
 - d. A touchdown, PAT or safety is scored.
 - e. The ball-carrier’s knee or arm hits the ground.
 - f. The ball-carrier’s flag falls out.
 - g. The receiver catches the ball while in possession of one or no flag(s).
 - h. The 7 second pass clock expires.
 - i. Inadvertent whistle.

NOTE: There are no fumbles. The ball is spotted where the ball-carrier’s feet were at the time of the fumble.

8. In the case of an inadvertent whistle, the offense has two options:
 - a. Take the ball where it was when the whistle blew, and the down is consumed.
 - b. Replay the down from the original line of scrimmage.
9. A team is allowed to use a timeout to question an official’s rule interpretation. If the official’s ruling is correct, the team will be charged a timeout. If the rule is interpreted incorrectly, the timeout will not be charged and the proper ruling will be enforced. Officials should confer and agree on any controversial call in order to get the call/ruling correct.

XI. Running

1. The ball is spotted where the runner’s feet are when the flag is pulled, not where the ball carrier has the ball. Forward progress will be measured by the player’s front foot.
2. The quarterback (Coach) cannot run with the ball. The quarterback is the offensive player who receives the snap.
3. Handoffs may be in front, behind or to the side of the offensive player; but must be behind the line of scrimmage. The offense may use multiple handoffs.
 - a. The toss or pitch is a legal handoff.
 - b. “Center sneak” play is not allowed. The QB is not allowed to handoff to the center on the first handoff of the play.

4. Absolutely NO laterals beyond the line-of scrimmage.
5. No-run Zones are located 5 yards before each end zone and are designed to avoid short-yardage power-running situations. Teams are not allowed to run in these zones if the subsequent line is LIVE.
6. Any player who receives a handoff can throw the ball from behind the line of scrimmage.
7. Once the ball has been handed off in front, behind or to the side of the quarterback (coach), all defensive players are eligible to rush.
8. Runners may not leave their feet to advance the ball. Diving, leaping or jumping to avoid a flag pull is considered flag guarding.
9. Spinning is allowed, but players cannot leave their feet to avoid a flag pull.
 - a. Players spinning out of control will be called for flag guarding.
10. Runners may leave their feet if there is a clear indication that he/she has done so to avoid collision with another player without a flag-guarding penalty enforced.
11. No blocking is allowed at any time. Offensive players can run with the ball carrier but CANNOT initiate any contact with a defensive player. ANY intentional blocking motion or initiated contact by an offensive player will be a “blocking penalty”. Blocking motions include:
 - a. Dropping of the shoulder
 - b. Extending the arms **and/or creating a “wall” around the ball-carrier**
 - c. Elbowing
 - d. Charging
12. “Screening” is a legal offensive motion. An offensive player may set a screen by standing still with their arms crossed and pressed against their stomach/chest. If the offensive player setting a screen is moving, they will be called for a “blocking penalty.” All illegal blocking motions are also true for any player setting a screen (see #11).
13. Flag obstruction – All jerseys MUST be tucked in before play begins. The flags must be on the player’s hips and free from obstruction. Deliberately-obstructed flags will be considered flag guarding.

XII. Passing

1. All passes must be from behind the line of scrimmage.
2. Shovel passes are allowed.
3. The quarterback has a seven-second “pass clock.” If a pass is not thrown within the seven seconds, the play is dead, the down is consumed and the ball is returned to the line of scrimmage. Once the ball is handed off, the 7-second rule is no longer in effect.
 - a. If the QB is standing in the end zone at the end of the 7-second clock, the ball is returned to the line of scrimmage (LOS)

XIII. Receiving

1. All players are eligible to receive passes (except the quarterback/coach).
2. Only one player is allowed in motion at a time. All motion must be parallel to the line of scrimmage and no motion is permitted toward the line of scrimmage.
3. A player must have at least one foot inbounds when making a reception.
4. In the case of simultaneous possession by both an offensive and defensive player, possession is awarded to the offense.
5. Interceptions change the possession of the ball at the point of interception. Interceptions are the only change of possession that do not start on the 5-yard line.
6. Interceptions are returnable **except** on PAT conversions.

XIV. Rushing the Passer

1. There is NO rushing the passer in the 1st/2nd grade leagues.
2. Once the ball is handed off any defensive player is allowed to rush.

XV. Flag Pulling

1. A legal flag pull takes place when the ball-carrier is in full possession of the ball.
2. Defenders can dive to pull flags but cannot tackle, hold or run through the ball-carrier when pulling flags.
3. It is illegal to attempt to strip or pull the ball from the ball-carrier's possession at any time.
4. If a player's flag inadvertently falls off during the play, the player is down immediately upon possession of the ball and the play ends. The ball is placed where the flag lands.
5. A defensive player may not intentionally pull the flags off of a player who is not in possession of the ball.
6. Flag guarding is an attempt by the ball-carrier to obstruct the defender's access to the flags by stiff arming, dropping the head, hand, arm or shoulder or intentionally covering the flags with the jersey.

XVI. Formations

1. Offenses must have a minimum of one player on the line of scrimmage (the center) and up to four players on the line of scrimmage. The quarterback (coach) must be off the line of scrimmage.
 - a. One player at a time may go in motion 1-yard behind and parallel to the line of scrimmage.
 - b. No motion is allowed toward the line of scrimmage.
2. Movement by a player who is set or a player who runs toward the line of scrimmage while in motion is considered a false start.
3. The center must snap the ball with a rapid and continuous motion between his/her legs OR to their side to the quarterback/coach; and the ball must completely leave their hands.

XVII. Unsportsmanlike Conduct

1. If the field monitor, referee, and/or athletic director witnesses any acts of intentional tackling, elbowing, cheap shots, blocking or any unsportsmanlike act, the game will be stopped and the player will be ejected from the game. The decision is made at the discretion of the referee, field monitor, and/or Athletic Director. No appeals will be considered. **FOUL PLAY WILL NOT BE TOLERATED!**
2. Offensive or confrontational language is not allowed. Officials, field monitors and/or the Athletic Director have the right to determine offensive language. If offensive or confrontational language occurs, the referee will give one warning. If it continues, the player or players will be ejected from the game.
3. Players may not physically or verbally abuse any opponent, coach or official.
4. Ball-carriers **MUST** make an effort to avoid defenders with an established position.
5. Defenders are not allowed to run through the ball-carrier when pulling flags.
6. Fans must also adhere to good sportsmanship as well:
 - a. Yell to cheer on your players, not to harass officials or other teams.
 - b. Keep comments clean and profanity free.
 - c. Compliment **ALL** players, not just one child or team.
7. Fans are required to keep fields safe and kids friendly:
 - a. Keep younger kids and equipment such as coolers, chairs and tents a minimum of 10 yards off the field in the end zone area.
 - b. Dispose of **ALL** trash in designated trash cans.
8. Unsportsmanlike conduct penalties:
 - a. Defense + 10 yards from line of scrimmage and automatic first down
 - b. Offense - 10 yards from line of scrimmage and loss of down

NOTE: The field monitor, referees and athletic director reserve the right to eject any player, fan, coach or parent who comes out onto the field to argue with a call. Any inappropriate language, aggressive behavior or excessiveness in regards to a call directed at any referees, coaches/players from other teams, field monitors, or athletic directors may result in an immediate ejection and suspension from the field/program. Two ejections in a single season will result in immediate termination from the program.

XVIII. Participation

1. Coaches are expected to give each player equal playing time. If issues come up in which a coach is unfairly/intentionally limiting playing time of some players, then the athletic director will give the coach a warning. If the problem persists the coach could be subject to suspension.

XIX. Penalties

A. General

- a. The referee will call all penalties.
- b. Referees determine incidental contact that may result from normal run of play.
- c. All penalties will be assessed from the line of scrimmage, except as noted. (Spot fouls)
- d. Only the team captain or head coach may ask the referee questions about rule clarification and interpretations. Players and/or fans may not question calls.
- e. Games may not end on a defensive penalty unless the offense declines it.
- f. Penalties are assessed as either live ball or dead ball penalties (or both if they happen during and after the same play). Live ball penalties must be assessed before play is considered complete.
- g. Penalties will be assessed half the distance to the goal yardage when the penalty yardage is more than half the distance to the goal.
